Hook

What's it gonna take to make you see
You're the only girl that's meant for me
I think I'm in love with you
My Spanish Bonita
You got me in the palm of your hand
Girl I gotta make you understand
I think I'm in love with you
My Spanish Bonita
Saw you at the beach late last night
I've never seen a girl look so fine
You are the one for me
And I just can't stop thinking bout her constantly
And I don't even care about your man
Because he could never treat you like I can
Girl what's it gonna be
Yo Mommy are you Feelin' me
B- section
Baby can we meet later tonight
Girl you know it's just right. This love you can't deny

Hook

Verse

Now I'm sittin' in my car with you
Hopin' that there's somethin' we can do
Baby what's on your mind
I'm so glad that you are here with me tonight
Do you think that we could take a ride
And stroll down by the ocean side
So I can tell you how
I feel about you now

B- section

Can't believe I'm here with you tonight
And it feels so right
To be by your side
Hook

Breakdown

Baby glad you know it's plain to see
That you're the one that's livin' in my fantasy
All I need to know is that you're feelin' me
My Spanish Bonita x2
