i hear the sound of you heart beating
don't say a word i know what you're feeling
just hold me close, don't be afraid
these arms won't let your heart break
just ask me girl - oh i surrender
i'll make love to you-so soft and tender
i promise you with every breath i take
these arms won't let your heart break

these eyes will worship you and adore you
these hands will love you every day
darlin' the only guarantee i can make
these arms won't let your heart break

your wish is my command i'm right here for you
just take my hand i'll love you like you want me to
one thing for sure make no mistakes

my arms won't let your heart break

these eyes will worship you and adore you (adore you)
these hands will love you every day (every day)
darlin' the only guarantee i can make
these arms won't let your heart break

these eyes will worship you and adore you
these hands will love you every day
darlin' the only guarantee i can make
these arms won't let your heart break

these eyes will worship you and adore you (adore you
girl)
these hands will love you every day
darlin' the only guarantee i can make
these arms won't let your heart break
these arms won't let your heart break
