Hang all the mistletoe
I'm gonna get to know you better
This Christmas
And as I trim the tree
How fun it's gonna together
Oh, this Christmas

The fire side is blazing bright
And we're carolin' through the night
And this Christmas
Will be a very special Christmas for me

Presents and cards are here
My world is filled with cheer and you
Yea, this Christmas
And as I look around
Your eyes outshine the town, they do
Yea, this Christmas

Fire side is blazing bright
And we're carolin' through the night
And this Christmas
Will be a very special Christmas for me

Oh, fire side is blazing bright
And we're carolin' through the night
And this Christmas
Will be a very special Christmas for me

Hang all the mistletoe
I'm gonna get to know you better
Yea, this Christmas
And as I trim the tree
How fun it's gonna be together
Oh, this Christmas

Oh, the fire side is blazing bright
And we're carolin' through the night
And this Christmas
Will be a very special Christmas for me

Jingle bells, jingle bells

A little route off the red nose reindeer
Dashing through the snow
Askin' the snowman, joy to the world
It was a silent night, it was a holy night
Ah when I'm angel

This Christmas, this Christmas
This Christmas, this Christmas
Oh yea
This Christmas, this Christmas
This Christmas, this Christmas
The fire side is blazing bright
This Christmas
Carolin' all through the night
This Christmas
Come be with me tonight
This Christmas
Yea, yea
This Christmas
This Christmas
This Christmas
This Christmas
