She's got the soft eyes  
And a great smile  
It's perfect for this  
One here  
And your head fits  
Me just fine  
Fits right into my chest  
And you taste so good  
Soft as you

Just so you know  
I love you in my life  
I hope you stick around  
That'd be nice  
We could play a little game of finding souls  
But I'll let you win on purpose  
Just so you know

Your touch  
Sends chills up my back  
And I can't get  
No I can't get enough of you  
You fill my life  
Now I'm satisfied

Just so you know  
I love you in my life  
I hope you stick around  
That'd be nice  
We could play a little game of finding souls  
But I'll let you win on purpose  
Just so you know  
Just so you know

In case you didn't see  
You put this one on me  
A smile that I lost  
Back in Tennessee  
Atlanta brought me back  
Because of you  
And there's nothing else  
That I'd rather do

Than be with you

Just so you know

I love you in my life

I hope you stick around

That'd be nice

We could play a little game of finding souls

I'll let you win on purpose

Just so you know
