Jah-Jah!  
The children crying in the wilderness, that's right.  
Jah-Jah!  
The children crying in the wilderness.  
Send us a prophet, to warn the nation.  
All the children in this creation,  
All the people that you see  
Will be the children of the Most High.

Jah-Jah!  
All the people that you see  
Will be the children of the Most High.  
Jah Rastafari! And I. Jah Rastafari!  
Jah-Jah-Jah.  
Send us another Moses, to lead the nation.  
The hungry must be fed, so there'll be no more  
sufferation.  
All the people that you see  
Will be the children of the Most High.

Jah-Jah.  
All the people that you see  
Will be the children of the Most High.  
Jah-Jah!  
The children crying in the wilderness.  
Jah-Jah!  
The children crying in the wilderness.

Jah-Jah  
Send us another Moses, to lead the nation.  
The hungry must be fed, so there'll be no more  
sufferation.  
All the people that you see  
Will be the children of the Most High.  
Jah-Jah!  
The children crying in the wilderness.  
Jah-Jah!  
The children crying in the wilderness...
