Sodom and Gomorrow was destroyed by fire.
Sodom and Gomorrow was destroyed by fire.
It keep on burning.
It keep on burning.

Seven golden candlesticks yeah.
In the King's palace, he smoke his chalice.
So he keeps on burning.
While the table keeps turning.

They're at the turning point,
They're at the turning point, to reality,
They keep on burning.
They keep on burning.

Down in the mudhole,
That's where I used to break my bread.
Down in the dungeon,
That's where I used to lay my head.

No more lick from the licking stick.
It keep on burning.
No more trick.
It keep on burning.

Sodom and Gomorrow was destroyed by fire.
Sodom and Gomorrow was destroyed by fire.
It keep on burning.
It keep on burning.

Seven golden candlesticks yeah.
In the King's palace, he smoke his chalice.
While he keeps on burning.
The table keeps turning.
They're at the turning point,
They're at the turning point, to reality,
They keep on burning.
They keep on burning.

Down in the mudhole,
That's where I used to break my bread.
Down in the dungeon,

That's where I used to lay my head.

No more straw making bricks,
No more lick from the licking stick.
