(Pete Seeger talking)

In the place where our old home was destroyed,  
We bury the charred bones of our relatives,  
Now the white flowers are blooming there.  
Oh, we must never allow, we must absolutely forbid  
another Atom Bomb to fall.

(Singing)

Deadly rain gathers poison from the sky,  
And the fish gather death from the depths of the sea,  
Fishing boats are idle, their owners are blind,  
Deadly harvest, of two Atom bombs,  
And landsmen and seamen you must watch and take  
care,  
That the third Atom bomb never falls.
