I'm the shy boy, You're the coy boy, And you know
we're Homosapien too
I'm the cruiser, You're the loser, Me and you sir,
Homosapien too
Homosuperior, In my interior, But from the skin out I'm
Homosapien too
And you're Homosapien too, And I'm Homosapien like
you
And we're Homosapien too

And I think of your eyes in the dark and I see the star
And I look to the light and I might wonder right where
you are
All the gods in the sky way up high see the earth
spinning 'round
But the sun and the moon and the stars are so far from
the ground

I'm the shy boy, You're the coy boy, And you know
we're, Homosapien too
I'm the cruiser, You're the loser, Me and you sir,
Homosapien too
Homosuperior, In my interior, But from the skin out, I'm
Homosapien too
And you're Homosapien too, And I'm Homosapien like
you
And we're Homosapien too

And the worlds built of age are a stage where we act
out our lives
And the words in the script seem to fit 'cept we have
some surprise
I just want this to last or my future is past and all gone
And if this is the case then I'll lose in life's race from
now on

Homosuperior, In my interior, But from the skin out, I'm
Homosapien too
And you're Homosapien too, And I'm Homosapien like
you
And we're Homosapien too

And I just hope and pray that the day of our love is at
hand
You and I, me and you, we will be one from two,
understand?
And the world is so wrong that I hope that we'll be
strong enough
For we are on our own and the only thing known is our
love
I don't wanna classify you like an animal in the zoo
But it seems good to me to know that you're
Homo sapien too
Ooh-ooh-ooh

I'm the shy boy, You're the coy b
