I don't wanna maul you at all
You know I kinda like you too much
It would be great if we could relate this way
Cos i, I just wanna touch

I don't wanna play the old roles
You know like taking turns to be butch
Don't want our love to be over in minutes
And so i, I just wanna touch

Oh I wonder if you understand
That oh just having you near
Is better than all of those one night stands

I hope that you don't get me wrong
You see I'm not perverted as such
Just wanna love that is more than mere fantasy
So i, I just wanna touch

I, I just wanna
I, I just wanna
I, I just wanna touch
I, I just wanna
I, I just wanna
I, I just wanna touch

Oh I wonder if you understand
That oh just having you near
Is better than all of those one night stands

I don't wanna maul you at all
You know I kinda like you too much
It would be great if we could relate this way
Cos i, I just wanna touch

I, I just wanna
I, I just wanna
I, I just wanna touch
I, I just wanna
I, I just wanna
I, I just wanna touch
