I dim all the lights and I sink in my chair
The smoke from my cigarette fans through the air
The walls of my room fade away in the blue
And I'm deep in a dream of you

The smoke makes the stairway for you to descend
You come to my arms, may this bliss never end
For we'll love anew just as we used to do
When I'm deep in a dream of you

^Then from the ceiling, sweet music comes stealing
We glide to a lovers refrain
You're so appealing, that I'm soon revealing
My love for you over again

My cigarette burns me, I wake with a start
My hand doesn't hurt
But there's a pain in my heart
Awake or asleep, every memory I'll keep
Deep in a dream of you
