Will you always be near when I need you by my side
Will you always hear when our thoughts are divided

Oh yes I will, Oh yes I will -I will love you forever
More
And it isn't, oh no it isn't; it is just -another
Lovesong

Will you always stand by me in good times and in bad
Will you always love me when everything seems sad

Oh yes I will, Oh yes I will -I will love you for

Evermore
And it isn't, oh no it isn't; it is just -another
Lovesong

That's how you won my heart -you changed it to gold
So now here is all my love -till I'm dead and gone

Yes I will give, yes I will give -I will give you all my
Love
And it isn't, oh no it isn't; it is just -yes it's just
