Vers 1:

Looking back at the time when I was all alone
Searching for the one that I can really call my own
I don't know I don't know if I should trust myself
Would you hear me, would you hear me if I needed
help?

RefrÃng:

There's something on my mind
Everybody fall sometimes
If I were in pain I'd ask myself then
Would you catch me if I fall?
And if you wonder I know I'm sure
I will catch you if you fall
If you fall, I will catch you,
catch you, catch you
If you fall, if you fall, I will catch you,
catch you, catch you if you fall

Vers 2:

Sometimes you just know
You've met your fantasy
You keep asking yourself
How could this ever be?
It ain't easy to cope with such emotions
For you I'd crossed the sea
Would you do the same for me?

RefrÃng:

There's something on my mind
Everybody fall sometimes
If I were in pain I'd ask myself then
Would you catch me if I fall?
And if you wonder I know I'm sure
I will catch you if you fall
If you fall, I will catch you,
catch you, catch you
If you fall, if you fall, I will catch you,
catch you, catch you if you fall

Vers 3:

Take my hand and tell me
You will walk with me even though it's rainy
I would rather kill myself then pretend I never loved
you!
So I'm making this attempt and hope that time will tell
me!

If I were in pain I'd ask myself then
Would you catch me if I fall?
And if you wonder I know I'm sure
I will catch you if you fall
If you fall, I will catch you,
catch you, catch you
If you fall, if you fall, I will catch you,
catch you, catch you if you fall

If I were in pain I'd ask myself then
Would you catch me if I fall?
And if you wonder I know I'm sure
I will catch you if you fall
If you fall, I will catch you,
catch you, catch you
If you fall, if you fall, I will catch you,
catch you, catch you if you fall

If I were in pain I'd ask myself then
Would you catch me if I fall?
