Com'on here Britney come on
I wanna tell you something
How many times I gotta tell you
Me â€¦ and hang on you not
Ain't a thing you get in life you had to work for
And you will get frustrated to the point when you ought
to do what you don't wanna do no more
Now you gonna do what you wanna do you tell

That only in my airplane
Like the plane gonna
Party like a rock stars
Just like them
But I think I'll rock all
Like ladies on a rock a chin
If they call I shall rock them
Rock'em well
Matter a fact J son
Rock'em well
Let me show you how to
Rock'em well
I'll stop my own line
But I ..
How are you gonna call show her
Call her whatever we wants to be called
But I will call like a â€¦
What I am was a â€¦ to be shown
Santa Claus in his house with an A C O

Standing by the â€¦.
..two a couple of lines
To take a couple of beers
Get drunk and jump behind the wheel

And it could get nasty

I've been here to â€¦..

Took it with a â€¦.
Just try to get them off with Will Smith money

Standing by the â€¦.
Give me two a couple of lines

Enough is enough
I'm trying to .. time to grow up
Let the â€¦ trying to pop
