(Petey arguing with cop:)
"All inmates are asked
To stay inside the cell"
Hey dog, you think
I could make my phone call?
Hey look, what you need
To do is sit down
I just wanna
Make my phone call
Just sit down
Hey, I get a phone call
For this motherf***er
F*** you
Hey f*** you too ya b*stard
I just want
My f***ing phone call
"Sgt. Ellis: Please come
To the front gate"
I got his as*
Didn't I?
Told him my plan
Didn't I?
Thought I was playin' wit' him
Now he as* out and
Payin' sh*t that nigga stank
Didn't he?
Smelled like some
Old spoiled meat
Didn't he?
When they found him
Took 'bout a
Motherf***in' week
Didn't it?
Down in a
Motherf***in' creek
Didn't they?
Mr. Roberts found his as* out
Fishin' Sunday evenin'
Didn't he?
Gift-wrapped in a sheet
Didn't he?
Roberts got out of there

So fast, they didn't
Ever find his boat
Did they?
I'd like to flip the hood night
Didn't I?
Disrespectful-as* nigga like
To ran up on my slab
Didn't he?
Y'all
Didn't even know
I had that thing
Did ya?
Y'all just seen mad niggas
Haulin'-as* across the field
Didn't ya?
(Hey, hey, hey)
That sh*t pulled
A lot of cards
Didn't he?
Especially that bald-head
Tight t-shirt wearin' as* Cindi
Didn't he? (punk)
That nigga ran in up his girl
Didn't he?
(Yo what happened)
Took her home and
Ran the train on a trick
Didn't I?

You are now rockin' wit'
One of the most real
Motherf***ers in the rap game
97-Petey Pablo or
Petey Too Small as
We call him down in Greenville
Ya
With this new sh*t
"Didn't I", ya
Boy that boy has done
A lot of things
Petey-tell something
Else you did

Thought I was playin'
Didn't ya?
I did everything I said
Didn't I?
I got out of prison and
Got a major record deal
Didn't I?
You didn't believe me

Did ya?
Ya'know I know you
Didn't you probably decided
That I'd be right back
On the street
Didn't ya?
I guess I showed you
Didn't I?
Got in the race
And then I won it
Didn't I?
I didn't even rub it
In your face, did I?
I could've got real sh*tty
But I didn't
Did I?
Or got all fly but I didn't
Did I? (nope)
Man, I just kept it all real
Didn't I? (ya)
Brought it right back
To the homefront
Just like I said
Didn't I?
They kept skippin' Carolina
Didn't they?
Yo (cough cough)
Excuse me
Can I have your attention
Didn't I?
I f***ed 'em up
The way I did it
Didn't I?
Came to the city spittin' nothing
But that greasy-grimey-gritty
Didn't I?
I changed
A lot of things here
Didn't I?
Came from the
Back to the front and
I had them kissing
A nigga as*
Didn't I?

You real crazy
Boy you a trip
You a real trip
But hey, but hey
The boy kept it real
He did, oh you

Thought it was over
Hey Petey
Get real fly on they as*
And talk about some sh*t
Some real sh*t
Come on

You coulda had me
Couldn't ya?
All that time
Couldn't ya?
Faggot
Mad little penny-pinchin' as*
That little cash wouldn't hurt you
Would it?
Well it shouldn't
Should it?
You wouldn't be broke and
Not tell us would you?
(Haha)
C'mon, don't laugh
It could happen
Couldn't it? (yeah)
It wouldn't be so bad
Would it?
If I wasn't right there
On your as* would it?
Such little sh*t
Shouldn't affect you should it?
Glitter my as*
I'm a star cat
(Now Petey you shouldn't
Even be like that)
Motherf***er (motherf***er)
Didn't they tell you man?
All your dumbness is
Gonna come back
On your monkey as*
You gonna be mad
At this verse here
Ain't ya man?
I wrote a song about it
Would you like to hear it
Here it comes
(Ha, ha, ha, ha, ha, ha)

Hey let me tell
Y'all something
I wanna tell y'all that
This mother f***a here
Don't give a f***

For real, he is pimp
Straight up and
Motherf***in' down
Y'all got to hear this sh*t
Petey Pablo
Tha boy be out 19-2000
Killin' sh*t yo
Aiyyo we outta here
We'll let this
Motherf***in' beat ride
We're gonna let
Y'all motherf***ers sit there
And enjoy the rest of
This motherf***in' song
Aight, that was just
A fly as* intro
To this whole thang
The whole thang
