It be's that razor-sharp nigger, when I'm flexing  
Look here, thoughts be so deadly nigga pull your  
weapon

Everywhere I'm from niggas straight killas yo'  
I'm talking bout' that N.O.C nigga, dig it yo'  
We stay cocked, that East Bank to that West Bank,  
straight killas

And looka here nigga, thats on the reala  
Now looka here, I'm giving you true game  
If you can't believe, so boy dig this man  
Nigga bringing drama, everywhere we come from  
From the both sides of the twin banks don't run  
I'm the you know one thing that's like that  
You can't get away from the real shit, dig it black  
That's drama

Nigga running hot on your block, for the hit  
You can't stop that nigga, its drama  
Nigga go and split your wig quick  
Because they trying to get that money, dig  
Thats drama

Nigga running hot on your block, for that hit  
You can't stop, thats drama  
Nigga bout' to split your wig kid  
You can't stop that shit  
Its drama

All my hoodlum niggas don't trip  
Drama plagues my city like ebola, dig it  
I wonder if that white man put the chip in your head  
And every down Ward nigga end up dead  
Man, what you have to prove, huh  
You niggas are punks and sissies  
Cause you don't fight, you bitches  
See I'm trying to tell you bout' the drama, dig it  
It can be indoors or outdoors, niggas still slang them  
Bolo's  
Dog, them hands was the shit, but looka here that shit's  
past tense  
Check it, you be shaking and tripping

When a nigga say it's on after school  
You got butterflies in your stomach, dude  
But look, that butterfly shit quit after the first lick  
That's some bone rattling shit  
When a nigga hand can break a nigga jaw, a back, or  
break a nigga hip  
That drama bitch

Nigga coming on your block for the hit  
You can't stop that nigga, you dig it, thats drama  
Nigga bout to split your wig kid,  
Because he got to get that money, dig  
Thats drama
