I told y'all
(I told y'all)
Everybody happen y'all wouldn't listen to me
(I told y'all)
Now you see it poppin' off, got you in the club dancing
your ass off
(I told y'all)
Break it down, break it down for me
(For me)
Break it down, break it down, break it down for me
(For me)
(I told y'all)
Break it down for me
(For me)

If y'all ready get your lighter put your fire in the air
I'm bout to blow this up
(Oh yeah)
Its a it's a on now
Petey Pab done and graduated
Broke a loose, shook em' off
Twisted the game
Train comin'

Full speed
Ain't nuthin' stopin' this muthafucker
Puttin' it down for my home town
(Ti-ti-train)
For my home town
(My niggas keep picking me up)
I got em' rockin' at the show
All y'all muthafuckers stompin' on the floor
(Boom, boom)
Losing control
(Eyes closed)

Hands up
(Bobbin' the dome)
And you can call it what ya wanna if ya wanna
But you better keep your eyes on it

I'd a told ya over and over
I don't feel like talking no more
It's about to go down
(Yeah like I told ya)

I told y'all
(I told y'all)
Everybody happen y'all wouldn't listen to me
(I told y'all)
Now you see it poppin' off, got you in the club dancing
your ass off
(I told y'all)
Break it down, break it down for me
(For me)
Break it down, break it down, break it down for me
(For me)
(I told y'all)
Break it down for me
(For me)

Move ova makin' em' diesel
(Fuled up)
Jesus
Clear the road, block it off, hold it back, make a path
(I'm a creeper)
Carolina's street sweeper
My brother keep her, you better believe her
Good as a bag of Afghanistan reefa
I can't fuck with me and y'all can't either

To hear me rock you need bulletproof speakers
(My impact)
It'll kill 79 people
The levels start jumping on the meter
(The sparks)
Then start shootin' out the speaker
The DJ ju-just can't catch the needle
Clubs call it fever for the flavor of the Petey

I told y'all
(I told y'all)
Everybody happen y'all wouldn't listen to me
(I told y'all)
Now you see it poppin' off, got you in the club dancing
your ass off
(I told y'all)
Break it down, break it down for me
(For me)
Break it down, break it down, break it down for me
(For me)
(I told y'all)

Break it down for me
(For me)

shit off
Sending a adrenaline rush
Through the whole park
Dusk to dawn, from club to the barn
From port to port from yard to yard
I'd a brought from the far beyond
Stated claim, gutta name, got it painted and framed
