Ladies and gentlemen
The party will continue
In 5 4 3 2 1

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da

Tip toein' through the tulips, 'scuse me
Looking for a night like, cutie
Bad momma driven like rule me
With a body type type like eww wee

Couple cosmos and she ready to leave
Don't care where she goin', she just rollin' with me
Got her ever so tight in the back of the jeep
More like an Isley brother, sister between the sheets

Over 18, love, sex and weed
Won't get mad, if I won't do her but she'll still do me
Want me to spank her while I bang her on the balcony
The more I close hang her, well the more she screams

The car stoppin', dogs barkin', the whole world can see
If it ain't botherin' shorty, it ain't fuckin' with me
Ya know what I mean, oochie wally sing it for me
La di da da da, sing it for me

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot

And la di da da da

Slide me your number like, "Hey yo, keep it on the low
Boyfriend sittin' at the bar next door"
Right there, shorty damn near touchin' my nose
I don't know how she gon' do it but I'm ready to go

Club hot, but I wanna go somewhere that's cold
AC, king size, on the fifth floor, you know
That's just the way I roll
Same way you can roll if you go with the flow

C'mon handle your business and a duck your nigga
Soon as I duck these chickens, we gon', get the gettin'
Can't wait to dig in the kitty, you got my attention
Your itty bitty waist, got me twitchin' in my britches

Feenin' for that sticky icky come get me
Good God almighty! Hot dog and chilli
Oochie-wally sing it for me
La di da da da, sing it for me

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da

Quiero que me lleves
Contigo
Esta noche, papi?
No speak Espanol, Ebonics

Bang bang boogie, the chocolate chip cookie
The papa don, the pick and prime, pink pretty
Smother me, tell me you love me, blow my head up
Everything you say can be a lie

Just treat me right, come with me tonight
It's like all good and a all right
C'mon, baby girl, just tell me you want it
And we'll be jumpin' 'til 6 in the morning

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da

Party ain't over 'til 6 o'clock
But my man got the hook up at the Marriott
We can scoop somethin' from the wildest spot
And la di da da da
