Maybe you miss a word.
Maybe you miss my dirt.
Maybe your dog or maybe your god
Or maybe you missed a call tonight.

Maybe I missed the end.
Maybe I miss my friends.
Maybe the sun or maybe the moon
Or maybe I missed the afternoon.

But I don't miss you tonight.
That isn't meant to piss you off one more time.

Maybe you take my hand.
I try to do what I can.
I try not to cry, I try not to run.
I try not to wish it all undone.

Maybe my thought is wrong.
Maybe we're just too strong.
Maybe I killed the love that I spilled
And maybe this was a rescue trap.

But I don't miss you tonight.
That isn't meant to piss you off one more time.
It does not mean that you don't mean a thing to me.
But that's the only way I'll finally succeed.

In being me.
