This thirsting within my soul
Won't cease till I've been made whole
To know You, to walk with You
To please You in all I do

You uphold the righteous
And Your faithfulness shall endure

Adonai, master of the earth and sky
You alone are worthy, Adonai
Adonai, let creation testify
Let your majesty be magnified in me
Adonai, You are an endless mystery
Adonai

Unchanging consuming fire
Lift me up from mud and mire
Set my feet on Your rock
Let me dwell in Your righteousness

Adonai, master of the earth and sky
You alone are worthy, Adonai
Adonai, let creation testify
Let your majesty be magnified in me
Adonai, You are an endless mystery
Adonai, Adonai

Let the storms surround me
Speak Your word and they will be still
Let this thirst and hunger
Is a longing only You can fill
Adonai, Adonai, Adonai

Adonai, master of the earth and sky
You alone are worthy, Adonai
Adonai, let creation testify
Let your majesty be magnified in me
Adonai, You are an endless mystery
Adonai, Adonai, Adonai, Adonai

Adonai
