"Beyond Belief"

We're content to pitch our tent when the glory's evident
Seldom do we know the glory came and went
Moving can seem dangerous in this stranger's
pilgrimage
Knowing that you can't stand still, you cross the bridge

There's a higher place to go
Beyond belief, beyond belief
Where we reach the next plateau
Beyond belief, beyond belief

And from faith to faith we grow
Towards the center of the flow
Where He beckons us to go
Beyond belief, beyond belief

Leap of faith without a net makes us want to hedge our
bet
Water's never part until our feet get wet
There's a deeper place to go where the road seems
hard to hoe
He who has begun this work won't let it go
(Let it go)

There's a higher place to go
Beyond belief, beyond belief
Where we reach the next plateau
Beyond belief, beyond belief

And from faith to faith we grow
Towards the center of the flow
Where He beckons us to go
Beyond belief, beyond belief

And it takes so long to see the change
But we look around and it seems so strange
We have come so far but the journey's long
And we once were weak but now we're strong

There's a higher place to go
Beyond belief, beyond belief
Where we reach the next plateau

Beyond belief, beyond belief

And from faith to faith we grow
Towards the center of the flow
Where he beckons us to go
Beyond belief, beyond belief

Beyond belief
There's a higher place to go
Beyond belief, beyond belief
Where we reach the next plateau
Beyond belief, beyond belief

Beyond belief
Beyond belief, beyond belief
