Words by Bob Hartman  
Based on Psalm 37:23-24

Standing on the corner I was losing track of time  
When away in the distance saw an old friend of mine  
He was smiling when he walked up held a tract out in  
his hand  
Then he told me Jesus loved me and said "so do I,  
man"  
Told me Jesus wants to save me from the fiery pit of  
hell  
Then I told him I was livin' there I knew that place well  
I was just about to leave when a love came over me  
Like nothin I had felt then we kneeled and we prayed  
Right there in the street we prayed

And now, after all those years of falling down  
I fell up in the arms of love  
When I heard Him call

(Love was calling I was falling)  
He was there and I could hear Him callin'  
I was fallin' up into His arms  
Love was catchin' me that day and somehow  
I was fallin' up then  
And I'm fallin' up now  
I'm fallin' up now

I remember that same feeling I'm reminded everyday  
See, Jesus lives inside me and I know He's there to stay  
Sometimes I start to fall down just like any other man  
But His arms are there to catch me  
And lift me up again

After all those years of falling down  
I fell up in the arms of love  
When I heard Him call

Now - couldn't live without Him  
Now - wanna know more about Him  
Now - I'm falling once again  
Now - falling up to heaven
