"Grave Robber"

There's a step that we all take alone
An appointment we have with the great unknown
Like a vapor this life is just waiting to pass
Like the flowers that fade, like the withering grass

But life seems so long and death so complete
And the grave an impossible potion to cheat
But there's One who has been there and still lives to tell
There is One who has been through both heaven and
hell

And the grave will come up empty-handed that day
Jesus will come and steal us away

Where is the sting, tell me where is the bite?
When the grave robber comes like a thief in the night
Where is the victory, where is the prize?
When the grave robber comes and death finally dies

Many still mourn, many still weep
For those that they love who have fallen asleep
But we have this hope though our hearts may still ache
Just one shout from above and they all will awake

And in the reunion of joy we will see
Death will be swallowed in sweet victory

Where is the sting, tell me where is the bite?
When the grave robber comes like a thief in the night
Where is the victory, where is the prize?
When the grave robber comes and death finally dies

When the last enemy is done, from the dust will come a
song
Those asleep will be awakened, not a one will be
forsakened
He shall wipe away our tears, He will steal away our
fears
There will be no sad tomorrow, there will be no pain
and sorrow

Where is the sting, tell me where is the bite?

When the grave robber comes like a thief in the night
Where is the victory, where is the prize?
When the grave robber comes and death finally

Where is the sting, tell me where is the bite?
When the grave robber comes like a thief in the night
Where is the victory, where is the prize?
When the grave robber comes and death finally dies
Finally dies
