Yeah
Alright

Got Your hand on my heart
And I won't walk away
You got a hold of my life
And I'm here to stay
Got Your hand on my heart

I remember when You first touched my heart
And the seed of life within began its start
Now I've finally found security
Now I finally see, I'm yours eternally
You've got Your hand on me

Got Your hand on my heart
And I won't walk away
You got a hold of my life
And I'm here to stay
Got Your hand on my heart
And now I know
That You won't let me go
You're never gonna let me go
Never gonna let me go
Hand on my heart

I don't want to lose another day
Feeling You're a million miles away
I just wanna know, I wanna know without a doubt
I will always feel Your loving hand is reaching out

Got Your hand on my heart
And I won't walk away
You got a hold of my life
And I'm here to stay
Got Your hand on my heart
And now I know
That You won't let me go

I feel your touch, every night and every day
With Your hand on my pulse
I won't easily stray

But if I ever do, a gentle tug will pull me through

I just have to let You know
I just have to let You know
That I love You so

Got Your hand on my heart
And I won't walk away
You got a hold of my life
And I'm here to stay
Got Your hand on my heart
And now I know
That You won't let me go

Got Your hand on my heart
And I won't walk away
You got a hold of my life
And I'm here to stay
Got Your hand on my heart
And now I know
That You won't let me go

Hand on my heart
Hand on my heart
Hand on my heart
Hand on my heart
Hand on my heart
