He came alone into the battle  
He knew nobody else could face His foe  
He left His throne, He left His glory  
He knew nobody else could ever go

He called the bluff, He took the challenge  
He came into this world to seek and save  
No one could know, no one could fathom  
The way to it was only through the grave

They laid Him in His tomb  
They thought they sealed His doom  
But He arose! He arose!

(chorus)

He came, He saw, He conquered death and hell  
He came, He saw, He is alive and well  
He was, He is, and only He forgives  
He died, He rose, He lives

He came, He saw, He conquered

The doors were locked; they heard a knockin'  
They were afraid they would be taken, too  
Only a voice said, "Come and follow."  
"Come and see the things the Lord can do"

They went to where He lay  
The stone was rolled away  
He arose! He arose!

(chorus)

He came into this world; He saw humanity  
He heard the S. O. S.; He met the Enemy  
The Enemy was conquered!  
The Enemy was conquered!

He arose! He arose!

(chorus)
