I've been away for a little while
And I don't like where it takes me
Out of touch I'm goin' out of my mind
It's times like these that really break me

So here I am all alone
I'm waiting on You
Just a word will get me through

I need to hear from You
Before this night is through
I need to hear from You
So I'm waitin', waitin' just to hear from You
Woh, yeah
(Yeah)

My whole world is turnin' upside down
When I'm lackin' in direction
I don't care if it takes all night
I need to feel Your sweet affection

So let me hear words of life
I'm lost without You
Speak to me the way You do

I need to hear from You
Before this night is through
I need to hear from You
So I'm waitin', waitin' just to hear from You

I've been here in this place before
And You're not the one to blame
(Ohh)
No, I need to know what You have in store
So I'm on my knees callin' out Your name, woh

I need to hear from You
Deep inside my heart
I need to hear from You
Just a still small voice is gonna get me through

I need to hear from You

So I'm waitin', waitin' just to hear from You
(I need to hear from You, from You)
I need to hear from You
Oh, I need to hear from You
So I'm waitin', waitin' just to hear from You
(I need to hear from You)
From You
I need to hear from You
(I need to hear from You)
So I'm waiting, waiting just to hear from You
(I need to hear from You)
I need to hear from You
