"I Will Seek You"

by Bob Hartman

Based on Acts 17:27

Living water - I am thirsty and dry
Bread of heaven - only You satisfy
I am waiting for Your comfort and peace
Come and fill me, let this emptiness cease

(Chorus)

I will seek You
I will find You
I will follow what I know is true
I will seek You
Like I used to
I will worship You

You are holy, You are a wonder to me
In creation I see Your majesty

(Chorus)

Speak to me and I will listen
(Give me the call and point the way)
Lead me on and I will follow
(Hearing Your Word I will obey)

(Chorus)
