I'm not ashamed to say I need You  
You satisfy my every need  
And when I yield to You  
And give my love  
You always set me free  
I'm not ashamed to talk about You  
You've given me a love to share  
I know You died and rose  
And will return to meet us in the end  
I'm not ashamed, I've been forgiven  
I have no need to run and hide  
And when You take my hand  
I know that there's no need to be afraid  
I'm not ashamed to say I love You  
And I know You first loved me  
And when I hear Your voice  
It keeps me hangin' on to what I've got
