Jesus, I'm thankful for Your love  
And it's been You I've been thinkin' of  
I've got a home in heaven above

You gave me my life when I was losin'  
I was choosin' my own way  
And with a miracle You changed me  
Rearrangin' me each day

Now, I'm so thankful for Your presence  
Takin' residence within  
You've given me that sweet assurance  
Of endurance to the end

Jesus, I'm thankful for Your love  
And it's been You I've been thinkin' of  
I've got a home in heaven above

Father, I'm thankful, I'm Your son  
And I believe You're the only one  
That could have forgiven all that I've done

Sometimes we forget the victory's won  
Takin' for granted what You've done  
Forgetting to thank You for Your son

Now, every day I know You're with me  
To assist me in the fight  
And I know my life will not be hollow  
When I follow in Your light

Jesus, I'm thankful for Your love  
And it's been You I've been thinkin' of  
I've got a home in heaven above

Father, I'm thankful, I'm Your son  
And I believe You're the only one  
That could have forgiven all that I've done
