Words and music by Curtis Peifer

Let all the saintly ones in God rejoice
The battle's won so lift your voice
Declare His Name the glorious King
Lift up the standard of triumph and sing
Crown Him Lord the conqueror of evil
He shed His blood to redeem all His people
And now we join the procession of Him
To hail Him Lord and glorious King

Jesus, Jesus, glorious One
Jesus, Jesus, God's risen Son
Jesus, Jesus, forever we'll sing
Jesus, Jesus, we'll hail you as King
