I wonder how it makes you feel when the prodigal won't
come home

I wonder how it makes you feel when he'd rather be on
his own

I wonder what it's like for you when a lamb has gone
astray

I wonder what it's like for you when your children
disobey

It must be like another thorn struck in your brow

It must be like another close friend's broken vow

It must be like another nail right through your wrist

It must be just like, just like Judas' kiss

I wonder how it makes you feel when no one seeks your
face

I wonder how it makes you feel when they give up in the
race

I wonder what it's like for you when they willingly
disobey

I wonder what it's like for you when they willingly walk
away

It must be like another thorn struck in your brow

It must be like another close friend's broken vow

It must be like another nail right through your wrist

It must be just like, just like Judas' kiss

It must be like another thorn struck in your brow

It must be like another close friend's broken vow

It must be like another nail right through your wrist

It must be just like, just like Judas' kiss
