Let everything that hath breath praise the Lord
Let every creature under God's sun praise the Lord
Let all the mountains, let all the valleys
Let all the hillsides sing of His glory
Let everything that hath breath praise the Lord

Israel had a war to fight but the Lord showed them the secret
He said the battle this day is mine
But you must listen how to do it
Put your singers first in front of the rest

Let them praise and sing to me
And you will see the salvation of your God
And watch your enemies flee

Let everything that hath breath, praise the Lord
Let every creature under God's sun, praise the Lord
Let all the mountains, let all the valleys
Let all the hillsides sing of His glory
Let everything that hath breath, praise the Lord

Paul and Silas were thrown in jail for preaching the gospel of Christ
Though in chains they praised His name singing songs in the night
Just then an earthquake shook the place
And the chains and the doors were loosened
Then the jailer ran in scared to death and that day he found salvation

Let everything that hath breath, praise the Lord
Let every creature under God's sun, praise the Lord
Let all the mountains, let all the valleys
And let all the hillsides sing of His glory
Let everything that hath breath, praise the Lord

I said, let everything that hath breath, praise the Lord
Let every creature under God's sun, praise the Lord
Let all the mountains, let all the valleys, praise the Lord
Let the children of God sing the songs of His glory,
praise the Lord
