You say you've been feeling weaker, weaker by the day  
You say you can't make the joy of you're Salvation stay  
But good things come to them that wait, not to those  
who hesitate  
So, hurry up and wait upon the Lord

More power to ya, when you're standing on His word  
When you're trusting with your whole heart  
In the message you have heard  
More power to ya, when we're all in one accord  
They that wait upon the Lord they shall renew  
They shall renew their strength

Jesus promised His Disciples, He'd give strength to  
them  
Jesus told them all to tarry in Jerusalem  
When they were all in one accord the power of His Spirit  
Poured  
And they began to tell the world around

More power to ya, when you're standing on His word  
When you're trusting with your Whole heart  
In the message you have heard  
More power to ya, when we're all in one accord  
They that wait upon the Lord they shall renew  
They shall renew their strength

So be strong in the Lord and in the power of His might  
Put on all His Armour and fight the good fight  
In all of our weakness He becomes so strong  
And He gives us the power and the strength to carry on

More power to ya, when you're standing on His word  
When you're trusting with your whole heart  
In the message you have heard  
More power to ya, when we're all in one accord  
They that wait upon the Lord they shall renew  
They shall renew their strength
