Words and music by Mike Hudson  
Based on Psalm 84:5-7

There is a way that leads to life  
The few that find it never die  
Past mountain peaks graced white with snow  
The way grows brighter as it goes

(Chorus)

There is a road inside of you  
Inside of me there is one too  
No stumbling pilgrim in the dark  
The road to Zion's in your heart  
The road to Zion's in your heart

The river runs beside the road  
Its waters living as they flow  
In liquid voice the water calls  
On thirsty knees the pilgrim falls

Sometimes a shadow dark and cold  
Lays like a mist across the road  
But be encouraged by the sight  
Where there's a shadow, there's a light

Sometimes it's good to look back down  
We've come so far - we've gained such ground  
But joy is not in where we've been  
Joy is who's waiting at the end
