I've waited patiently for your reply
You say you'll come around, by and by
I've tried to show the way into the light
But I just won't let you go, without a fight

You think my hands are tied
But you will never hide, no
I've got you in my sight, day and night

I've got a secret weapon
I'll pray for you
I've got a secret weapon
Gonna get through
(Oh)
I really care about you
I'll pray for you

I've told you everything, you need to know
But you still fluctuate, to and fro
You just can't push yourself, over the edge
So I will pull the rug, behind the hedge

How can you ever lose? Whoa
This deal you can't refuse, hey
So with your hands up high
Reach for the sky

I've got a secret weapon
I'll pray for you
I've got a secret weapon
Gonna get through
I've got a secret weapon
I'll pray for you
I've got a secret weapon
I won't give upon you

Pray until the night is through
And you surrender to the light
Come on, surrender
Now

I've got a secret weapon

I'll pray for you
I've got a secret weapon
Gonna get through
I've got a secret weapon
I'll pray for you
Oh I've got a secret weapon
I'm gonna get through
(Oh)
I really care about you
I'll pray for you

I'll pray for you
(I'll pray for you)
I'll pray for you
(I'll pray for you)
(I'll pray for you)
Gonna get, gonna get, gonna get through
I'll pray for you
(I'll pray for you)
(I'll pray for you)
Ooo, oh
I'll pray for you
(I'll pray for you)
I'll pray for you
(I'll pray for you)
