"Sincerely Yours"

I've lived in my own way
And found that there's a price to pay
And I felt the emptiness
Without Your tenderness
Now before You I confess

Here is all I have to give
I offer up this life I live
I am sincerely Yours
Now in all sincerity
I give You all of me
I am sincerely Yours

This prodigal is standing here
Now with all my senses clear
For all You gave to me
I spent it foolishly
You've been waiting patiently

Here is all I have to give
I offer up this life I live
I am sincerely Yours
Now in all sincerity
I give You all of me
I am sincerely Yours

Now I feel the weight on me is lifting
You've washed away the past
And now there is a new day dawning
As long as I keep holding
As long as I keep holding fast

I am sincerely Yours
Sincerely Yours

Here is all I have to give
I offer up this life I live
I am sincerely Yours
Now in all sincerity
I give You all of me
I am sincerely Yours

Here is all I have to give
I offer up this life I live
I am sincerely Yours
Now in all sincerity
I give You all of me
Jesus, I am sincerely Yours

I am, I am sincerely Yours
I am sincerely Yours
I am, I am sincerely Yours
