Ephesians 5:20

Words by Bob Hartman and Dino Elefante

Music by John Elefante

I have a thankful heart that you have given me

And it can only come from you

There is no way to begin to tell you how I feel

There are no words to express how you've become so
real

Jesus, you've given me so much I can't repay

I have no offering

There is no way to begin to tell you how I feel

There's nothing more I can say and no way to repay

Your warming touch that melts my heart of stone

Your steadfast love - I'll never be alone

I have a thankful heart that you have given me

And it can only come from you

I have a thankful heart; words don't come easily

But I am sure you can see my thankful heart

Help me be a man of God

A man who's after Your own heart

Help me show my gratitude

And keep in me a thankful heart
