Red is the color of the blood that flowed  
Down the face of Someone Who loved us so  
He's the perfect man, He's the Lord's own son,  
The Lamb of God, He's the only one  
That can give us life, that can make us grow,  
That can make our sins as white as snow.  
That can give us life, that can make us grow,  
That can turn our mornings into gold.  
That can give us life, that can make us grow,  
That can keep our hearts from growing cold.  
That can give us life, that can make us grow,  
That can make the love between us flow.

There is a way that leads to life  
The few that find it never die  
Past mountain peaks graced white with snow  
The way grows brighter as it goes

There is a road inside of you  
Inside of me there is one too  
No stumbling pilgrim in the dark  
The road to Zion's in your heart  
No stumbling pilgrim in the dark  
The road to Zion's in your heart  
The road to Zion's in your heart  
The road to Zion's in your heart

You say you've been feeling weaker, weaker by the day  
You say you can't make the joy of your salvation stay  
But good things come to them that wait  
Not to those who hesitate  
So hurry up and wait upon the Lord

More power to ya, when you're standing on His word  
When you're trusting with your whole heart in the  
message you have heard  
More power to ya, when we're all in one accord  
They that wait upon the Lord, they shall renew, they  
shall renew their  
strength

So be strong in the Lord and in the power of His might  
Put on all His armor and fight the good fight  
In all of our weakness, He becomes so strong  
And He gives us the power and the strength to carry on
