Let everything that hath breath praise the Lord
Let every creature under God's sun praise the Lord
Let all the mountains, let all the valleys
Let all the hillsides sing of His glory
Let everything that hath breath praise the Lord

Israel had a war to fight but the Lord showed them the secret
He said the battle this day is mine, but you must listen how to do it
Put your singers first in front of the rest
Let them praise and sing to me
And you will see the salvation of your God
And watch your enemies flee

Let everything that hath breath praise the Lord
Let every creature under God's sun praise the Lord
Let all the mountains, let all the valleys, praise the Lord
Let the children of God, sing the songs of His glory,
praise the Lord

How can, how can we who are dead to sin
Live any longer therein?
We've been, we have been called and loved and forgiven
Our old life is forgotten
Our old life is forgotten

Do you remember what he's called you out of?
Do you remember where you were?
Let us not take advantage of his love
That we forget that we have been forgiven
Without Him we can do nothing (4x)
Yeah (9x)
Without Him we can do nothing (10x)

Praise ye the Lord all ye nations
The Lord is reigning, you people rejoice
The Word of the Lord is a two-edged sword
He's placed it in our hands

Praise ye the Lord
Praise ye the Lord
Praise ye the Lord forever
(2x)

Praise the Lord for His mercy
Praise the Lord for His love
His everlasting love
Praise the Lord for His kindness
Praise the Lord for His Son

Jesus is Lord
Jesus is Lord
Jesus is Lord forever
(3x)

And He shall reign forever and ever
Forever and ever Hallelujah forever
And He shall reign forever and ever
Forever and ever Hallelujah, Hallelujah
King of Kings, forever and ever Hallelujah, Hallelujah
Lord of Lords, forever and ever Hallelujah, Hallelujah
King of Kings, forever and ever Hallelujah, Hallelujah
Lord of Lords, forever and ever Hallelujah, Hallelujah
King of Kings, Lord of Lords, Hallelujah
