Listen, you've been runnin' and runnin'  
Runnin' for a long time, hey  
Your time is windin' up  
You better make up your mind

It's getting late in the evenin'  
The sun is goin' down  
You better get right, get right  
While he may be found

I wanna know where  
Who's on the Lord's side?  
I wanna know where? Where?  
Who's on the Lord's side

Where do you stand?  
Come on, come on, yeah, yeah  
I, I'm on the Lord's side  
So come on, come on

You got to run, got to work  
Work awhile it's day  
For the night is coming  
When you can't find your way

Oh sinner I wonder  
What will we do? What?  
You better choose this day  
Tomorrow's not promised to you

I wanna know where? Where?  
I wanna know where?  
Who's on the Lord's side?

Tell me, tell me where? Where?  
Come on, come on, yeah  
Hey, hey, hey I'm on the Lord's side  
Come on, come on  
Come on, come on, yeah

Oh yeah  
Yeah, yeah

I wanna know who all you on the Lord's side?  
Get up if you're on the Lord's side  
Get up, get up, the Lord's side  
Get up, get up, get up, if you're on the Lord's side  
Get on your feet, now

I want to know where do you stand?  
Who's on the Lord's side?  
Tell me, tell me, tell me where? Where?  
Where do you stand?  
Ni ni ni ni ni, oh yeah, so come on  
Yeah, yeah, yeah

Tell me, tell me, who's on the Lord's side?  
Come on, come on  
Alright
