One More Second Chance

you were there when i needed you
and that was more than you ever dreamed of
you were the one who said you'd love me forever
for all of the loneliness i saved you (loneliness i saved
you from)
we had a love that noone else could touch
and i thank god that you loved me back then
you were my world (you were)
you were my life
my best friend

don't tell me love had to die
I see the look in your eye
the way you used to see me
and i know you still hear me
that we belong together

don't say you don't think love is worth it
'cause baby you know we deserve it
can't we just give this one more second chance
baby i know that your hearts' still in it
so don't you act so indifferent
can't we just give this one more second chance

there hasn't been a day gone by
that you haven't come across my mind
just when I thought
i'd stop hoping I'd see you
well here you are just as big as life (are just as big as
life)
i asked for your forgiveness once
and i'm ready now to ask you again (ready now to ask
you again)
is that enough (your love)
i'm not myself
that's what i said

don't tell me love had to die
i see that look in your eye
the way you used to see me

and i know you still hear me
that we belong together

don't say you don't think love is worth it
'cause baby you know we deserve it
can't we just give this one more second chance
baby i know that your hearts' still in it (come on)
so don't you act so indifferent (no no no no)
can't we just give this one more second chance

i know that you still love me babe
i know that you still love me babe
we belong together

don't change your mind (oh no)
stay in my life (you've got to)
why can't we give this one more second chance
just one more time (oh yeah)
don't be unkind (oh no)
can we just give this one more second chance

don't say you don't think love is worth it
'cause baby you know we deserve it (we do)
can't we just give this one more second chance (give
me just one more second chance)
baby i know that your hearts' still in it (I know)
so don't you act so indifferent
can't we just give this one more second chance (one
more second chance)

don't say you don't think love is worth it
'cause baby you know we deserve it (we do)
can't we just give this one more second chance (give
me just one more second chance)
so don't you act so indifferent (I know)
can't we just give this one more seconc chance
