Traditions ring hollow  
Traditions ring true  
Billions still following but they haven't got a clue  
Turn a blind eye to the origins  
Another time and place  
Where meanings changed with religious trends and  
fucked  
Up social ways

Indoctrination

Your path has been chosen

Indoctrination

Don't just blindly accept it

The need for power and the privilege to own another  
Human being  
A lifetime of holy matrimony  
Symbolized by a ring

Prearranged and re-arranged  
Prepare for life in these chains  
Do you take this man to be your master?  
"I don't" is not the answer  
Reproductive slave machine is all this ritual was meant

To mean  
Do you take this woman to be your wife?  
"I do", now sentence her to fucking life

Tradition hides lies  
Traditions hold truth  
Do we really need this paper to show us the proof?  
Do we really want to continue to give our daughters  
Away?

In a stupid game that used to mean rape, torture and  
Slavery

Rape, torture and slavery

Rituals created for us in a day and a time  
When we had no choice what we did with our bodies or  
Lives  
Bought and sold, they robbed us of all our pride  
From birth they owned us until we died
