If you're troubled and you can't relax
Close your eyes and think I'm this
If the room exploding in your head all turn to facts
Close your eyes and think I'm this

Armenia, city in the sky
Armenia, city in the sky

If you ever want to lose some time
Just take off, there's no risk
If you ever want to disappear
Just take off and think of this

Armenia, city in the sky
Armenia, city in the sky

The sky is glass, the sea is brown
And everyone is upside-down

Armenia, city in the sky
Armenia, city in the sky
