look at the stars  
Look how they shine for you  
And everything you do  
yeah, they were all yellow

I came along  
I sing a song for you  
And all the things you do  
And it was called Yellow

So then I took my turn  
Oh what a thing to've done  
And it was all yellow

Your skin  
Oh yeah your skin and bones  
Turn in to something beautiful  
You know  
You know I love you so  
You know I love you so

I swam across  
I jumped across for you  
Oh what a thing to do  
Cuz you were all yellow

I drew a line  
I drew a line for you  
Oh what a thing to do  
And it was all yellow

Your skin  
Oh yeah your skin and bones  
Turn into something beautiful  
And you know  
For you I'd bleed myself dry  
For you I'd bleed myself dry

Its true  
Look how they shine for you  
Look how they shine for you

Look how they shine for...  
Look how they shine for you  
Look how they shine for you  
Look how they shine

Look at the stars  
Look how they shine for you  
And all the things that you do
