

Controller.controller **"History"**

Visit "[History](#)" on MotoLyrics.com

Here's my new century
I'm erasing history
You need to make corrections
You need to pay attention

I'll say when [x2]

You're up for mass distraction
You're up for gut reaction

You raise your hand like I can't see
Don't raise your hand like I can't see
You're in for mass distraction

You're in for gut reaction

I'll say when [x4]

You need to make corrections
You need to pay attention

Let's rewrite your history
Let's rewrite your history

I'll say when [x8]

[Bridge/breakdown]

Let's rewrite your history...
