YOOOOOOOOOOOOOOOU!

You used to make me happy
You used to make me feel SEEEEXY
You used to call my name
You used to call me babe

YOOOOOOOOOOOOOOOU!

You were holding me tight
You were holding me good
You were holding my hand
You were keeping me safe

Come back to me
Oh, please don't deny
That you don't wanna come
Come back to me
Come with me, uhhhh!
Let's get high
Let's stay together
There's nothing to hide

YOOOOOOOOOOOOOOOU!

You used to make me happy
You used to make me feel SEEEEXY
You used to call my name
You used to call me babe

YOOOOOOOOOOOOOOOU!

You were my favorite one
You were my person in the world
You were the best I ever had
You were the only one

Come back to me
Oh, please don't deny
That you don't wanna come
Come back to me
Come with me, uhhhh!
Let's get high
Let's stay together
There's nothing to hide

1, 2, 3, 4, 5, 6, 7, 8... Stop!

Come back to me
Oh, please don't deny
That you don't wanna come
Come back to me
Come with me, uhhhh!
Let's get high
Let's stay together
There's nothing to hide
