I sit by the harbour  
Sea calls to me  
I hide in the water  
But I need to breathe

You are an ocean wave, my love  
Crashing at the bow  
I am a galley slave, my love  
If only I could find out the way  
To sail you, maybe I'll just stow away

I've been run aground  
So sad for a sailor  
I felt safe and sound  
But needed the danger

You are an ocean wave, my love  
Crashing at the bow  
I am a galley slave, my love  
If only I could find out the way  
To sail you, maybe I'll just stow away

You are an ocean wave, my love  
Crashing at the bow  
I am a galley slave, my love  
If only I could find out the way  
To sail you, maybe I'll just stow away

Stow away, stow away
