Haste makes waste, so with the case is how my day  
begins  
Hot in quarter vader shops the sports day market pelo  
I'm think of my pap, the doctor slapped me in the  
hostpial with a G-O  
Word is bond when I was born, and I took a breath  
I never rhyme with busted rhymes and even the blind  
knew I was def  
Respect to Chico ?Waller Al Kadee Roscoe

Fuck the bitches who dissed us and the hoes who  
wouldn't give Rash' a play

Peace to Ricki Love the rockin shot to all the beer spots

The marks we used to stick up, the posse gets much
