Days swiftly come and go
I'm dreaming of her
She's seeing other guys
Emotions a-stir
The sun is gone
The nights are long
And I am left while the tears fall

Did you think that I would cry
On the phone?
Do you know what it feels like
Being alone?
I'll find someone new

(Swing) Swing, swing
From the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?

(Wish) cast into the sky
I'm moving on
Sweet beginnings do arise
She knows I was wrong
The notes are old
They bend, they fold
And so do I to a new love

Did you think that I would cry
On the phone?
Do you know what it feels like
Being alone?
I'll find someone new

(Swing) Swing, swing
From the tangles of
My heart is crushed by a former love
Can you help me find a way to carry on again?

Bury me
You thought your problems were gone
Carry me

Away, away, away

(Swing) Swing, swing

From the tangles of (swing, swing, swing)

My heart (my heart) is crushed by a former love

Can you help me find a way to carry on again?

(Repeats and fades until the end)
