Oh teacher, Please teach me
After school, or maybe
The playground, 10:30

We can't play
Get dirty

I know you aren't and yes older than me
Wah-oh wah oh-ooo-oh

But if you give me a chance
I'll let you see
I'll let you see

(ah-na-na-na)
So keep me after class
(ah-na-na-na)
I don't wanna pass
(ah-na-na-na)
Do you want me too

Oh teacher, teacher
I love you

Lean over, and help me
About our, chemistry

Equations, on the board
You give me answers, and I'll give you more.

Please let me know, if I got a chance with you
Wah-oh wah-oh oo-woh-oo

So let me know because I really do
Yeah I love you

(ah na na na)
So keep me after class,
(ah na na na)
I don't wanna pass,
(ah na na na)

Do you want me too,

Oh teacher teacher
I love you

Oh teacher I love you

(ah na na na)
Oh teacher I love you 4x's
