Alone
Why must I be alone
I've spent so many hours with you
How can I be alone

Alone
Why must I dream alone
Our dreams were meant for us to share
How can I dream alone

There's such a thing a forgiving
So why can't you forgive
There's such a thing as forgetting
So can't you forgive and forget

Apart
Why must we be apart

Let's put our hearts together
And never be alone

There's such a thing a forgiving
So why can't you forgive
There's such a thing as forgetting
So can't you forgive and forget

Apart
Why must we be apart
Let's put our hearts together
And never ever be alone

(La la la la la la la ya ya ya yah)
(La la la la la la la ya ya ya yah)

And never ever be alone

(La la la la la la la ya ya ya yah)
